### Objection #1

**Customer Says: "Yeh sab online fraud hai. Paise leke bhaag jaoge."**

#### Suggested Replies

- Bhai sahab, aap bilkul sahi shak karte hain — internet par fraud bahut hota hai. Main khud manta hun. Isliye main aapko ek cheez dikhata hun — hamare platform par koi bhi profile register nahi ho sakti jab tak Aadhaar ID verify na ho aur Imam sahab ka reference na mile. Fraud karna technically mushkil ho jaata hai. Aur agar kabhi kuch galat laga — mere personal number par call karo. Main yahan ka hun, kahin nahi jaunga.
  - Aapi, pehle FREE register karo. Ek paisa nahi lagta. Phir dekhna — agar mujh par trust nahi bana toh chhod dena. Koi pressure nahi.
  - Aap jo shak kar rahe hain — main kal fir aaunga. Tab tak yeh dekho: [local success story ka naam].
- 
- 

### Objection #2

**Customer Says: "Pehle kisi ne bola tha yahi sab — phir kuch nahi hua, paise gaye."**

#### Suggested Replies

- Pehle kisi ne bola tha yahi sab — phir kuch nahi hua, paise gaye.
  - Yeh sunke dukh hota hai. Sach mein. Paise gaye, time gaya, aur haath khaali raha. Main samajh sakta hun kyun aap shak kar rahe hain.
  - Lekin ek farq batata hun — aap ne jo use kiya tha, woh shayad kisi ne aapko directly nahi call kiya? Main yahan hun — aapke saamne. Main [area] ka hun. Aur agar kuch bhi galat lage — seedha mere ghar aa jaana.
  - Aur ek kaam karo — hamare yahan is area mein [Name] family ka rishta hua — unka number dunga. Seedha unse poochho.
  - Main kal woh family ka number lekar aaunga. Phir aap khud decide karna.
- 
- 

### Objection #3

**Customer Says: "Profile fake hoti hain. Koi sach nahi batata."**

### **Suggested Replies**

- Bilkul sahi baat hai bhai sahab. Isliye hamare yahan teen layers hain — pehli: Aadhaar ID verify hoti hai manually. Doosri: Imam sahab ka reference hona compulsory hai — bina iske profile live nahi hoti. Teesri: CRM — yaani main — har profile ko personally check karta hun call karke.
  - Dekhna chahte ho? Abhi phone mein dikhata hun — yeh green tick ka matlab hai ID verified, yeh wala Imam reference hai.
- 
- 

## **Objection #4**

**Customer Says: "Tumhara koi office hai? Ya ghar se hi chal raha hai?"**

### **Suggested Replies**

- Haan bhai sahab, hamare paas [address] par ek office hai. Aap kabhi bhi aa sakte ho — pehle call kar lena. Chai peeyenge aur poori baat karte hain.
  - Aur honestly — ghar se shuru kiya tha. Kyunki hum believe karte hain ki pehle community ko value do, phir office baad mein. Waise bhi — main is area ka hun. Mere ghar ka pata deta hun.
- 
- 

## **Objection #5**

**Customer Says: "Kitne logo ka rishta hua hai actually? Proof dikhao."**

### **Suggested Replies**

- Bilkul sahi sawaal. Abhi tak hamare through [actual number] engagements hue hain. Inmen se [N] is area ke hain. Ek ka number deta hun — seedha call karo unhe.
  - Aur ek baat — main numbers barhaa charha ke nahi bolunga. Jo hai wahi bolunga. Agar number chhota lagta hai toh — hum abhi shuru hue hain. Lekin woh ek family jo engaged hai — woh real hai.
- 
- 

## **Objection #6**

**Customer Says: "Agar rishta nahi mila toh paise wapas milenge?"**

### **Suggested Replies**

- Haan. 30 din ke andar agar aapko ek bhi acchi profile nahi mili — jo aapke filter se match karti ho — toh paise wapas. Koi sawaal nahi.
  - Lekin ek baat clear kar dun — rishta PAKKA hoga is ki guarantee koi nahi de sakta. Allah ke haath mein hai. Jo main guarantee deta hun woh yeh hai: verified profiles, dedicated CRM support, aur 30 din mein value — ya refund.
- 
- 

## Objection #7

**Customer Says: "Pehle dekhenge phir sochenge. Abhi kuch nahi chahiye."**

### Suggested Replies

- Bilkul. Dekhna chahiye — bilkul sahi keh rahe hain. Aur dekhne ke liye ek paisa nahi lagta. Register karo free mein — profiles dekho — aur jab aapka dil kahe haan, tab aage badho. Main koi pressure nahi deta.
  - Ek kaam karo — main abhi aapko 2 profiles WhatsApp par bhejta hun. Dekho. Pasand aaye toh batao, na aaye toh koi baat nahi.
- 
- 

## Objection #8

**Customer Says: "Kaun ho tum? Mujhe nahi pata tumhara naam bhi."**

### Suggested Replies

- Bilkul sahi baat hai — aap mujhe nahi jaante. Isliye pehle apna parichaiy deta hun. Main [Naam] hun, [area] ka hun. Maulana [Imam naam] sahab ko jaante hain? Unhi ne bheja hai. Aur yeh mera ghar ka number hai — ghar ka pata bhi de sakta hun.
  - Aur honestly — aap mujhe trust karo iss baat se nahi ki main kya keh raha hun. Trust karo iss baat se ki koi cheez galat lage toh mujhe dhundh sakte ho. Main kahin nahi jaunga.
- 
- 

## Objection #9

**Customer Says: "Humne Shaadi.com try kiya tha — kuch kaam nahi aaya."**

### Suggested Replies

- Haan bhai sahab — Shaadi.com hamare liye nahi bana. Wahan na maslak ka proper filter hai, na parda ka khayal hai, na koi banda hai jo personally dhyan rakhe. Woh ek generic platform hai — hamare jaise families ke liye nahi.
  - Hamare yahan sirf Muslim families hain. Hamare yahan Imam reference compulsory hai. Hamare yahan ladki ki photo koi bhi nahi dekh sakta. Yeh sab Shaadi.com mein nahi hai — aur woh issue hi nahi — woh hamare liye bana hi nahi tha.
- 
- 

## Objection #10

**Customer Says: "Mere dost ne bola online matrimony se kuch nahi hota."**

### Suggested Replies

- Aapke dost ki baat sun'ta hun — aur shayad unka experience sach mein aisa hi tha. Lekin ek sawaal — woh platform hamare jaise tha? Wahan Imam reference tha? Wahan parda protocol tha? Wahan ek dedicated banda tha jo personally call karta tha?
  - Woh sab generic tha. Yeh specific hai. Aur ek kaam — main aapko ek local family se milata hun jinka rishta hua. Woh bhi pehle yahi sochte the.
  - Ek baar mil lena us family se — phir decide karna. Fair hai na?
- 
- 

## Objection #11

**Customer Says: "Photo kaise safe hai? Koi bhi download kar sakta hai."**

### Suggested Replies

- Bilkul sahi dar hai — isliye humne technically implement kiya hai. Ladki ki photo ka link 15 minute mein expire ho jaata hai automatically. Matlab koi forward bhi kare toh link kaam nahi karega. Download karke bhi rakh le toh link invalid ho jaata hai.
  - Aur ek aur baat — photo browse mein kabhi nahi dikhti. Sirf tab milti hai jab: ek, aap rishta bhejein. Do, ladki ke Wali qabool karein. Teen, CRM reveal kare. Teen steps — teen alag log. Koi akela bypass nahi kar sakta.
- 
- 

## Objection #12

**Customer Says: "Kya aap meri beti ki photo bechte ho? Data safe hai?"**

### Suggested Replies

- Kabhi nahi. Aur main yeh isliye nahi keh raha ki main prove nahi kar sakta — main isliye keh raha hun kyunki hamaara poora business model hi trust par tikaa hai. Agar ek bhi data leak hua — hamaari company khatam. Hamaara interest aapki safety mein hai.
  - Data India mein hi store hota hai — AWS Mumbai servers par. Kisi third party ko share nahi hota. Aur DPDPA ke under — India ka data protection law — aap kabhi bhi apna data delete karwaa sakte ho. Likhit mein guarantee hai.
  - India ka naya data protection law — DPDPA — ke under hum legally bound hain. Aap chahein toh apna poora data delete karwa sakte hain.
- 
- 

## Objection #13

**Customer Says: "Bahut mehenga hai. ₹499 zyada hai."**

### Suggested Replies

- Main samajhta hun. ₹499 suna toh bada lagta hai. Lekin ek baar socho — ₹499 mahina matlab ₹17 roz. Ek chai aur ek biscuit. Uss se bhi kam.
  - Aur doosri taraf socho — ek rishta dhundhne mein aap petrol, aane-jaane ka kharcha, milne ka kharcha — yeh sab mila ke toh bahut zyada hota hai. Hum ₹17 mein actually zyada efficient hain.
  - Basic plan ₹299 bhi hai — ₹10 roz se bhi kam. Wahin se shuru karo.
  - Basic plan se shuru karo — ₹299. Jab value milne lage toh upgrade karna.
- 
- 

## Objection #14

**Customer Says: "Pehle free mein karo, phir sochenge."**

### Suggested Replies

- Haan — registration toh bilkul free hai. Aur profiles dekhna bhi free hai. Aaj hi kar lete hain — ek paisa nahi lagega.
  - Jab rishta bhejna ho, chat kholni ho — tab ek chhota sa plan hoga. Lekin woh baad ki baat hai. Abhi toh free mein shuru karo.
  - Kal main call karunga — 2 profiles dikhaunga. Phir aap decide karna.
- 
-

## Objection #15

**Customer Says: "Shaadi mein toh lakhs kharch kar rahe hain — matrimonial mein ₹499 kyon dein?"**

### Suggested Replies

- Shaadi mein toh lakhs kharch kar rahe hain — matrimonial mein ₹499 kyon dein?
  - Bilkul sahi baat kahi aapne. Shaadi mein 3-5 lakh ka kharcha hota hai. Uss kharch se pehle — sahi rishta dhundne mein — ₹499? Yeh toh insurance hai.
  - Galat rishta — uss ka cost toh — woh toh sochna bhi mushkil hai. Sahi rishta dhundne mein ₹499 — yeh toh investment hai, kharcha nahi.
- 
- 

## Objection #16

**Customer Says: "Abhi paise tight hain. Baad mein lenge."**

### Suggested Replies

- Koi baat nahi. Ek kaam karo — register toh karo aaj. FREE hai. Jab paise ho jaayein tab plan lena. Lekin profile ban jaayegi — aur main profiles bhejta rahunga free mein 15 din tak.
  - Aur honestly — ₹299 ka Basic plan bhi hai. ₹10 roz. Agar yeh bhi mushkil lage toh batao — koi raasta nikaalenge.
- 
- 

## Objection #17

**Customer Says: "Paise dene ke baad agar kaam nahi aaya?"**

### Suggested Replies

- 30 din mein agar ek bhi acchi profile nahi mili — paise wapas. Koi sawaal nahi. Yeh main likhit mein de sakta hun.
  - Aur ek baat — paise tab bhi wapas milenge agar main ne jo promise kiya — CRM support, weekly dispatch, verified profiles — kuch bhi deliver nahi hua.
  - Main [naam] guarantee karta hun — 30 din mein value nahi to paise wapas.
- 
-

## Objection #18

**Customer Says: "Cash mein ho sakta hai? UPI nahi hai."**

### Suggested Replies

- Haan bilkul. Cash bilkul theek hai. Main receipt dunga. Aaj hi ho jaata hai.
  - Aur agar paas mein kisi ka UPI hai — beta ka, bhai ka — toh woh bhi kar sakte hain. Jo bhi convenient ho.
- 
- 

## Objection #19

**Customer Says: "6 mahine ka plan kyun loon — agar 1 mahine mein rishta ho jaata hai?"**

### Suggested Replies

- 6 mahine ka plan kyun loon — agar 1 mahine mein rishta ho jaata hai?
  - Bilkul — agar 1 mahine mein rishta ho jaata hai toh aap toh aagey badh jao. Plan cancel karo. Refund milega. Lekin agar 2-3 mahine lagte hain — toh 6 mahine mein aapki savings ₹1,000+ hogi vs monthly.
  - Aur ek practical baat — 6 mahine mein ek cheez hoti hai: aap committed rehte ho. Monthly mein log bhool jaate hain — renew nahi karte — aur process ruk jaata hai. Commitment = result.
- 
- 

## Objection #20

**Customer Says: "Dono taraf se paise kyun — ladke wale bhi, ladki wale bhi?"**

### Suggested Replies

- Haan — dono family register karti hain. Kyunki dono ko service milti hai. Ladke waale browse karte hain, rishta bhejte hain. Ladki waale incoming rishte dekhte hain, CRM unka bhi dhyan rakhta hai.
  - Kisi aur ko uss taraf register nahi karwana aapko — woh apne aap register hoti hain. Aap sirf apni side dekho.
- 
-

## Objection #21

**Customer Says: "Abhi zaroorat nahi. Baad mein dekhenge."**

### Suggested Replies

- Bilkul — aur yeh bilkul sahi decision hai. Lekin ek kaam karo — abhi sirf free mein register kar lo. Koi commitment nahi. Jab zaroorat feel ho toh sab ready rahega. Profiles bhi milni shuru ho jaayengi.
  - Ek cheez aur — jo profiles aaj hamare system mein hain, woh kal nahi hongi. Rishta dhundha jaata hai jab dono sides active hon. Agar aap active nahi ho — toh koi aur woh profile le jaata hai.
- 
- 

## Objection #22

**Customer Says: "Beti ki padhai chal rahi hai — shaadi abhi nahi."**

### Suggested Replies

- Bilkul sahi — padhai pehle. Aur hum padhai rok'te nahi. Profile bana lo abhi — padhai bhi chalti rahe, rishte bhi aate rahe. Jab dono ki timing match kare tab aage badho.
  - Aur honestly — rishta dhundhna 6-12 mahine ka process hai. Abhi shuru kiya toh padhai khatam hone tak koi acha mil sakta hai. Last minute mein dhundh'ne se better hai advance mein ready rehna.
  - Profile banao abhi — jab ready ho tab activate karo. Zero pressure.
- 
- 

## Objection #23

**Customer Says: "Humara koi kaam nahi hai abhi — beta khud dhundh lega."**

### Suggested Replies

- Mashallah — yeh acha hai. Lekin ek sawaal — beta kahan se dhundhega? College mein? Kaam ki jagah par? Hum jaante hain woh kaise hota hai na — woh jo wahan milte hain, woh hamare values ke nahi hote usually.
- Hamaara platform mein beta apni marzi ka rishta dhundh sakta hai — apne Wali ki guidance mein — apne maslak ke andar. Yeh alag hai. Yeh halal tareeqa hai.
- Beta ko yeh platform dikhao — woh khud pasand karega. Halal tareeqa hai. Wali ka role bana rehta hai.

---

## Objection #24

**Customer Says: "Ek mahine baad aana — abhi busy hain."**

### Suggested Replies

- Bilkul — busy time mein disturb karna sahi nahi. Ek kaam karo — aaj sirf register kar lo, 5 minute. Main ek mahine baad call karunga. Tab properly baat karte hain. Deal?
  - Aur ek mahine mein kya hoga — main 3-4 profiles dhundh rakhta hun aapke bete/beti ke liye. Jab aap ready hon — woh ready hongi.
  - Maine calendar mein daal diya — [date] ko call karunga. Tab tak agar kuch chahiye toh mera number hai.
- 
- 

## Objection #25

**Customer Says: "Rishta toh Allah dega — platform se kya hoga?"**

### Suggested Replies

- Bilkul sahi baat hai — Allah hi deta hai. Lekin ek baat bolunga — Rasool Allah ﷺ ne farmaya: Pehle oont baandho, phir tawakkul karo. Matlab — apni koshish पूरी karo, phir Allah par bharosa rakho.
  - Hum zariya hain. Rishta Allah dega — lekin dhundhna toh padega. Woh zariya halal ho — Imam reference wala, parda wala, Wali ke zariye — yahi toh hum karte hain.
  - Halal zariya — yahi distinction hai. Allah ki razamandi ke saath dhundho.
- 
- 

## Objection #26

**Customer Says: "App nahi chalti humse. Technology nahi aati."**

### Suggested Replies

- Aapi, ek baat seedhi — aapko koi app download karne ki zaroorat hi nahi. Zero. Hamaara WhatsApp Autopilot isi ke liye bana hai.
- Jo number aap roz use karti hain — uss par hafte mein ek baar — Tuesday ko — 3 profiles aati hain. Aap sirf 1, 2, ya 3 likhna. Main baaki sab karta hun. Yeh sach mein sirf WhatsApp hai — aur kuch nahi.
- Main abhi aapko ek sample message bhejta hun — dekho kitna simple hai.

- Aaj Tuesday hai — is hafte ka dispatch kal aayega aapke is number par: [number confirm karo].
- 
- 

## Objection #27

**Customer Says: "Internet nahi hota hamare yahan achha."**

### Suggested Replies

- Koi baat nahi — WhatsApp sirf 2G par bhi chalti hai. Aur profiles text mein aati hain — photo optional hai. Slow internet mein bhi kaam karega.
  - Aur agar kabhi internet nahi — toh main seedha call karta hun. Profiles phone par bata deta hun. Hum aapko akela nahi chhodenge.
- 
- 

## Objection #28

**Customer Says: "Bete ko nahi pata hoga yeh sab — woh sheher mein hai."**

### Suggested Replies

- Koi baat nahi — beta sheher mein hai toh aur achha. Ek kaam karo — aap register karo, main beta ke WhatsApp par bhi information bhej sakta hun. Aur jab bhi beta ghar aaye — ek ghante mein sab setup ho jaata hai.
  - Ya main seedha beta se baat kar sakta hun — number do unka. Main explain kar deta hun.
  - Beta ko mera number do — main call kar leta hun. Woh sab setup kar denge.
- 
- 

## Objection #29

**Customer Says: "Pehle app download karwao — phir dekhte hain."**

### Suggested Replies

- Zaroor — app hai aur main abhi download karwa sakta hun. Lekin ek baat — app ki zaroorat nahi aapko. WhatsApp se kaam chalega. App sirf extra convenience ke liye hai.
- Lekin agar download karna chahte ho — 2 minute ka kaam hai. Karein?

---

---

## Objection #30

**Customer Says: "Phone chori ho gayi toh sab data jaayega?"**

### Suggested Replies

- Bilkul sahi sawaal. Data phone mein nahi hota — hamare secure server par hota hai. Nayi phone se login karo — sab wapas aa jaata hai. Account aapka hai — phone ka nahi.
  - Aur agar phone chori ho — mujhe call karo. Main account immediately block kar deta hun. Koi aur access nahi kar sakta.
  - Jaise bank account phone se nahi jaata — waise hi yeh account bhi safe rehta hai.
- 
- 

## Objection #31

**Customer Says: "Kya hoga agar company band ho gayi?"**

### Suggested Replies

- Yeh sawaal main khud poochhunga agar main aapki jagah hota. Seedha jawab — abhi hum shuru ho rahe hain. Lekin aapka subscription kharch ₹499 hai — ek mahine ka. Agar kal band ho jaaye — ₹499 ki risk hai. Ek rishta dhundh'ne mein aap isse zyada petrol mein kharch karte ho.
  - Aur honestly — hum band kyun honge? Hamaara business tab tak chalega jab tak rishte hote rahenge. Aur rishte toh hamesha hote rahenge.
- 
- 

## Objection #32

**Customer Says: "Ghar mein baat karni hai — biwi se / maa baap se poochhna hai."**

### Suggested Replies

- Ghar mein baat karni hai — biwi se / maa baap se poochhna hai.
- Bilkul sahi. Rishte ka mamla hai — ghar mein milke decide karna chahiye. Ek kaam karo — kab ghar mein sab hote hain? Main aa sakta hun — poori family ko ek saath demo dikhata hun.
- Ya — main ek simple message taiyar karta hun jo aap ghar mein forward kar sako. Dekho woh kya sochte hain — phir mujhe batao.

- Main Saturday ko aa sakta hun — 11 baje ya shaam 5 baje, jo convenient ho?
- 

## Objection #33

**Customer Says: "Maulana sahab se poochhunga pehle."**

### Suggested Replies

- Mashallah — bilkul sahi karte hain. Maulana sahab ki raay lena zaroori hai. Aur ek suggestion — kya main bhi saath chalta hun? Seedha Maulana sahab ko platform dikhata hun. Koi sawaal unka — wahan hi jawab milega.
  - Aur ek baat — Maulana [area Imam naam] ko shayad pata hi hoga — woh already hamare saath hain.
  - Aaj hi Maulana sahab se milte hain — mujhe batao kab milenge woh.
- 

## Objection #34

**Customer Says: "Ladke/ladki ko khud pasand nahi — unka bhi decision chahiye."**

### Suggested Replies

- Bilkul — aur yeh bilkul sahi baat hai. Hamare platform mein candidate ka expectations section hota hai — woh apni preferences likha sakte hain. Lekin sab kuch Wali ke zariye hota hai. Matlab — unki awaaz sunai deti hai, Wali ki guidance mein.
  - Yeh arrangement Islam mein bhi hai — Wali ki raza zaroori hai, lekin candidate ki marzi bhi mayne rakhti hai.
- 

## Objection #35

**Customer Says: "Humara maslak alag hai — Barelvi / Ahle Hadith / etc."**

### Suggested Replies

- Koi baat nahi — hamare platform par maslak filter hai. Barelvi select karo — sirf Barelvi profiles dikhti hain. Yeh actually ek unique cheez hai hamare platform mein — koi aur nahi karta yeh itna specific.

- Aur honestly — maslak match hona zaroori hai rishte mein. Hum yeh samajhte hain. Isliye yeh feature banaya.
- 
- 

## Objection #36

**Customer Says: "Kya yeh platform Sharia ke hisaab se hai? Koi aalim ne approve kiya?"**

### Suggested Replies

- Kya yeh platform Sharia ke hisaab se hai? Koi aalim ne approve kiya?
  - Haan — hamare platform ki teen bunyaadi cheezein Sharia se seedhi aayi hain: pehli, parda protocol — koi photo unauthorized nahi dekh sakta. Doosri, Wali-first — seedha ladka-ladki kabhi nahi milte. Teesri, Imam reference — har profile par.
  - Aur hum ek Sharia Advisory Board bana rahe hain — agar aap chahte hain ki aapke ilaaqa ke Maulana sahab us board mein hon — yeh ek badi zimmedari hai. Main unse baat karna chahta hun.
  - Maulana sahab se milwa dein — main personally baat karna chahta hun.
- 
- 

## Objection #37

**Customer Says: "Larki ke wali nahi hain — seedha kaun decide karega?"**

### Suggested Replies

- Samajh gaya. Yeh ek real situation hai. Hamare platform mein Wali ki jagah — jis par family trust kare — woh register ho sakta hai. Koi trusted mard — chacha, mama, bada bhai — woh Wali ka role nibha sakte hain.
  - Aur agar koi nahi hai — CRM yaani main — as a witness — poori process mein saath rehta hun. Koi bhi step akele nahi hoga.
- 
- 

## Objection #38

**Customer Says: "Humaari beti toh bahut choosy hai — koi pasand nahi aayega."**

### Suggested Replies

- Mashallah — beta/beti ko haq hai choosy hone ka. Aur honestly — jitna specific filter lagaoge, utna better match milega. Hamare yahan aap 8-10 filters laga sakte ho — maslak, area, umar, education, profession, family type — sab kuch. Choosy families ke liye actually better results aate hain.
  - Aur ek baat — koi profile force nahi ki jaayegi. Sirf woh dikhegi jo exact match karti ho.
- 
- 

## Objection #39

**Customer Says: "Humara beta divorced hai — log accept nahi karte."**

### Suggested Replies

- Main samajhta hun — yeh ek sensitive situation hai. Lekin ek baat seedha batata hun: hamare platform par divorced profiles hain — aur unke liye bhi matches hote hain. Kuch families specifically divorced candidates dhundh'ti hain — ya khud bhi same situation mein hain.
  - Aur hamare CRM personally is situation ko handle karte hain — discretion ke saath. Aapki family ki situation kisi ko pata nahi chalegi jab tak aap nahi chahte.
  - Hamare yahan specifically yeh filter hai — jo divorced candidates dhundh'te hain, unhe milwaate hain.
- 
- 

## Objection #40

**Customer Says: "Hamaare liye nahi hai yeh — hum garib hain."**

### Suggested Replies

- Yeh sab se zyada dil dukhaane wali baat hai jo koi keh sakta hai — aur main seedha bol raha hun — yeh platform exactly aapke liye bana hai. City walon ke liye nahi. Elite families ke liye nahi.
  - ₹10 roz — ek roti se bhi kam. Aur agar yeh bhi mushkil hai — register toh karo. Free hai. Main personally koshish karunga aapke liye. Yeh commitment hai meri.
  - Main personally dhyan rakhta hun aapka. Mere liye aap VIP customer hain.
- 
-

## Objection #41

**Customer Says: "Hum log apni community mein hi rishta dhundh'te hain — bahar nahi."**

### Suggested Replies

- Hum log apni community mein hi rishta dhundh'te hain — bahar nahi.
  - Bilkul — aur yahi hota hai hamare platform par bhi. Aap apni community — apna maslak — apna area — sab filter karo. Sirf wahi dikhega. Koi force nahi ki community se bahar jaao.
  - Actually — hamare platform par aapko apni community ke log milenge jo aap ko pehle pata bhi nahi the. Us family ka beta jo Pune mein kaam karta hai — jo Azamgarh ki hi ladki dhundh raha hai — woh aapko dhundh nahi sakta bina platform ke.
- 
- 

## Objection #42

**Customer Says: "Ek baar soch ke batata hun — give me some time."**

### Suggested Replies

- Bilkul — sochna chahiye. Ek kaam karo — main ek cheez chhod'ta hun aapke paas. [Ek card ya paper dedo jisme: naam, number, local reference ka naam, aur ek line: 30 din free trial available.]
  - Aur ek kaam aur — abhi sirf register kar lo. Sochna baad mein karo. Registration mein ek paisa nahi lagta aur ek minute ka kaam hai. Jab sochna ho — platform already tayar hoga.
  - Main [date] ko call karunga. Tab tak agar koi sawaal aaye — mere number par call karo kabhi bhi. Din mein, raat mein.
  - Kal [specific time] par call karunga — calendar mein daal raha hun abhi.
- 
-
